Class History

WE CAME! WE SAW! WE CONQUERED!

Almost twelve years ago we came, weak-kneed and just a little scared. Only three-Donna, Jim and Gary-have not sailed all the way with us. Through the years we have seen that if we were to conquer we first had to conquer ourselves. So far we have conquered but we have not done it alone. We owe much of the credit to the hard work and advice of our parents, teachers, and community.

Motto - HE CONQUERS WHO CONQUERS HIMSELF.
Colors - ROSE AND GRAY
Flower - AMERICAN BEAUTY ROSE

Class Poem

They're gone! They've left!
They will return no more.
The willful, skillful, fighting group-
The class of '54.

They lead! They were
The best we ever knew.
Twelve frollicking, rollicking years of school
And now they're finally through.

Oh Say! What now?
How can we carry on?
The great, the noble, the mighty ones
Of '54 are gone!

Class Will

Eleven victims of the desired disease, graduation, have passed into the outer world of which we think we know so much. On their deathbed in the final days of existance they bequeathed their earthly possessions to those unfortunate enough to remain behind.

The class leaves its temper and pep to the Freshmen. It wills its exuberance to Betty Lindquist, its energy to Dick Oller. It leaves their sleepy days to the Sophomores and bequeaths its talkativeness to the teachers. To the Juniors goes the title "Seniors" and to all the students and faculty they leave the wish that they will never forget them--the Seniors of '54.

Senior Class Play

"Junior Prom" was the Senior play which was presented November 13 and 14. It was directed by Mrs. Ellis. All the Seniors and Claude Hulce were in the cast which was as follows:

Hildy Haines ---------Virginia Hullinger
Olivia----------Barbara Heath
Queenie Smith ----------Donna Heston
Chuck Haines ----------Burton Heath
Frankie Brown ----------Jim Howder
Mrs. Haines----------Kay Hilton
Cora Haines ----------Nadine Clickner
Willie Vermin ----------Alvin Hall
Jerome Haines --------- Gary Silvernail
Clarence Weegar --------Dean Lindquist
Cassandra Cholmundeley--- Gayle Stolley
Doctor Prescott ---------- Claude Hulce

Senior Skip Day

With a whoop and a holler the Seniors took off for the Black Hills, Thursday afternoon, May 22 on their Senior skip day.

Rapid City played host to them that night and bright and early the next morning they arose and went on to Deadwood. In Deadwood they set themselves gently down upon the chair lift, (dangling their number 10's as gingerly as possible) and watched a mile of Terry Peak slide underneath them. They toured the Homestake Mine and spent the rest of the afternoon in the Homestake Recreation Center. After spending Friday night and Saturday morning around 'Spearfish way' they streaked on to Rapid. Saturday night it was viewing the movie at the drive-in theatre and dancing in the Bon-Air. After that they called it a day and trotted back to the cabins and to bed.

Sunday morning dawned to find sleepy Seniors stretching, yawning and reaching for their "Sunday go to meetin' duds." The majority of them loyally went to church; the rest just layed around and took life easy.

The last bit of money was splurged on a Sunday dinner and so ----they returned----broke and tired, (but looking well around the waistline).

Prom and Banquet

Vivian High School's seventh annual Junior-Senior prom and banquet was held May 14 in the two community halls. At 6:30 the Juniors and their advisor, Mr. Nelson, entertained the Seniors, Mr. and Mrs. Ed Cross, and Mr. and Mrs. Willard Ellis. Dick Oller was toastmaster for the evening. Jim Hulce, the Junior Class president, gave the welcome. Alvin Hall, Senior Class president, returned the good wishes. Mr. Nelson spoke on the things that lie in store for the Seniors. Ellen Whitaker read the theme poem. Carl Moore prophesied the future of the Seniors. The hall was decorated in the chosen theme - Gypsy. Four Freshman girls dressed as gypsies acted as waitresses. The prom began at 9:30 with the attendance of 29 couples, the teachers and their escorts. Because of the shortage of students in the Junior Class extra couples were invited. The theme song was, "Vaya Con Dias".

Vivian State "B" Debate Champions

Vivian copped the State "B" Debate Championship title for the first time in its history at Huron March 29 and 30. The debaters were in six debates losing only one. Twelve teams competed in this tourney. In the first debate the Vivian affirmative met Highmore negative, Vivian met DeSmet in the second round and Newell in the third round. At the end of the first day's debating Vivian was the only undefeated team. Tuesday morning the Vivian negative lost to Newell with still five teams remaining in the competition. In the fifth round Vivian affirmative debated and won over the Clark negative giving them the right to vie for championship against Beresford negative. Mrs. Ellis, the Vivian coach, received the trophy, and medals were awarded to the members of the winning team.

The Vivian affirmative team, Alvin Hall and Gary Silvernail, went through the tournament with four wins and no losses. The negative team, Virginia Hullinger and Gary Silvernail, had one win and one loss.

Virginia Hullinger placed first in girls' extemporaneous speaking while Alvin Hall tied for second in original oratory in the state event.

On Wednesday, April 28, a testimonial banquet was held in honor of the debaters and their coach. Mrs. Ellis presented the debate squad while the three state debaters demonstrated the work they did at the state tournament. Alvin Hall gave his oration, "Crime Does Pay", Virginia Hullinger talked on the extemp subject, "Should Eighteen Year Olds Be Allowed To Vote?", and Gary Silvernail explained and discussed the debate topic. Mr. Bill Turner from Mobridge was the guest speaker. The honored guests were presented with gifts from the community.
